Sixth War Loan Drive Opens Nov. 20

Residents Prepare For Thanksgiving

Daly City will observe Thanksgiving, Thursday, November 23. It will be a "family sort of day" for most residents, with an abundance of good things to eat. Due to the war, it will, of course, be a solemn day in many homes, however pleasant the menu or elaborate the entertainment.

Children of the local public and parochial schools will have a two-day vacation for Thanksgiving, November 23 and 24. There will be no Thursday night school session at the high school, next week. City departments, except the police, will be closed, as will local stores, banks, and the post office. The Daly City Record will distribute its Shopping News, Tuesday, November 21, and The Record will arrive through the mail Wednesday morning, November 22.

The traditional football game between South San Francisco and Jefferson Union high school will be played at the home field, 6996 Mission street, Thanksgiving Day. Kickoff will be at 10 a. m. and the public is invited to turn out for the annual Turkey Day clash between the long-standing rivals.

Coach Marion Hall announces the probable starting lineup for the home team as: Dan Shannon, left end; Bill Higgins, left tackle; Al Rutherford, left guard; Mervin Francies, center; Earl O'Dell, right guard; Thomas Tromborg, right tackle; Jerry Galindo, right end; Harold Tikkenan, right halfback; Don Welsh, left halfback; Art Valverde, quarterback; Bob Plyer, fullback.

Ask For More Local Blood Donors

Certainly the headlines that our side has opened campaigns on many of the war fronts and is driving hard to victory makes thrilling headlines... but each new advance means that whole blood and blood plasma for the wounded are more critically needed than ever. What have you done about that?

This is the question which every Daly City adult, 18 or over and in good health, is asked to answer now. For those who have not given blood to the San Mateo County Blood Donor service or who have given less than they could afford to do, a special registration drive is under way in Daly City. Mrs. Ruth Morris is chairman for the community. She will gladly make reservations for blood donors; call DElaware 6435.

TURKEY PRICES

Turkey, the holiday bird, had an OPA price tag put on him today. Maximum retail prices that may be charged for turkeys and other poultry items were announced today by the District Office of Price Administration.

These prices were announced at this time, OPA stated, to inform housewives and other purchasers what the legal ceilings will be for holiday fowl.

Live turkeys will retail at 43 cents a pound, and the dressed variety will sell for 51 cents. These prices apply to top grade young turkeys of all weights.

Roasting chickens will cost 46 cents a pound, and stewing chickens of the fowl-fricassee type will sell for 41 cents.

No extra charge may be made by the sellers for drawing the birds, OPA said.

"United Through Books"

REMINDER: It's Book Week at the Daly City Public library, November 12 through November 18. Special displays and posters are up for the enjoyment of local children and grownups, too.

Mrs. Jean O'Rourke, librarian, has issued a special invitation for visitors to call in during the week. Theme of the observance is "United Through Books."

R. E. Bennett Resigns As Lions' President

Members of the Daly City-Colma Lions club have accepted with regret the resignation of their president, R. E. Bennett, who has left Daly City to make his home at Bakersfield. He had been an active participant in affairs of the local service club since February, 1943. He was elected to head the organization in June of this year.

Bennett was the proprietor of Reb's Upholstery shop, 26-28 Hillcrest drive. He took a leading part in community Boy Scout projects and had recently been named chairman of the Advancement committee for the San Francisco Area council, Boy Scouts of America.

An election to select a new president will not be held for several weeks, according to R. L. Crane jr., secretary.

Council To Study Request For Funds

Lasting less than half an hour, the Daly City council meeting, Monday evening, November 13, was confined to the reading of communications, reports, claims and a motion for adjournment. Only discussion of any sort came with the reading of a request from the Veterans Employment and Information Council of North San Mateo County for funds to carry on its work. The letter, which outlined the duties of the council which has been set up to aid returning veterans, asked that each municipality in the northern area of the county contribute \$75 toward operating expenses.

Councilman Howard McHugh suggested the matter should be investigated before decision was made on the appropriation and Mayor A. J. Gaggero referred the request to him for study and report. The communication pointed out that the Veterans' council is served by committee members from each of the communities in the area who give their time and effort free to the project. R. L. Crane jr. is the Daly City member on the council.

A letter was read from the A. F. of L. Political Education committee thanking the city council for its stand against State Proposition No. 12 on the November 7 ballot. There was a lengthy communication from the State Board of Equalization outlining in detail just what the board can and cannot do in respect to the issuance or transfer of liquor licenses. Mayor Gaggero asked City Clerk B. C. Ross to file the letter.

Four of the official family indicated that they would attend the Peninsula division, League of California Municipalities, dinner meeting at Atherton, tonight, November 16. October report from the Department of Public Health was heard and filed, as was the gasoline consumption report for the month.

Report Pate Killed

Mrs. Elizabeth Hatzke, 47 Eastlake avenue, foster mother of Lieutenant Frank Pate, has received word from the War department that he has been killed. Reported missing in action in June, further checking led to the conclusion that hope must be relinquished.

Lieutenant Pate's plane was attacked over enemy territory and was severely damaged. He was not seen to bail out, according to the message from the War department, nor did the German government list him among prisoners of war.

Pate, a graduate of Jefferson Union high school, was commissioned at Williams field, Arizona, in December, 1943, and reached Italy sometime in April of this year. He piloted a P-38 Lightning and had completed six missions over enemy territory by May 2.

Appoint Gaggero

Daly City's mayor, A. J. Gaggero, has been appointed to the San Mateo Fair commission. This group works with the San Mateo County Board of Supervisors on such projects as the fiesta, an outstanding annual event until the war. Announcement of his selection to serve on the important commission was made, November 8, at Redwood City.

Colma Takes Over Own City Hall Again

Holding its final session in the temporary quarters, the city council of the Town of Colma met, Monday, November 13, and passed a resolution changing its meeting place back to the city hall. For the past year the city's offices have been housed in the Weisenburger office building, while the city hall was leased to the United States government for military purposes.

Also approved was an agreement between the Town of Colma and Mr. and Mrs. Joseph Reynolds, under which the latter will occupy the remodeled building on the city's property. Consideration in the deal is the sum of one dollar per month and caretaker and maintenance service for the city hall building and grounds. At a cost of about \$2800, the Town of Colma has remodeled and outfitted as a 4-room home the small building adjacent to the city hall.

Upon motion of Councilman Mattrop Jensen, the council voted a donation of \$100 to the Colma War Chest, and a warrant was ordered drawn for that amount. Jensen pointed out the worth of the cause for which it was being given, and also the fact that Colma's city funds do not come from a general land tax as is the case in other cities, but rather from a system of fees placed upon businesses operating in that area.

Mayor Fred Lane called the board's attention to alleged speed (Continued on Page 2)

Recover Money Stolen At Trailer

Last weekend, Daly City police were instrumental in recovering \$80.86 of the \$100 stolen from the trailer of Mrs. Princess Shaw, November 9, at New San Francisco Auto court. First called in on the case when Mrs. Shaw found her trailer ransacked, an investigation was started and the money recovered at the home of one of the two juveniles involved in the theft. Officers said the trailer looked as if a cyclone had struck it.

Officer August Benassini recovered a car belonging to J. C. Brooks, 7335 Mission street, November 9 at 7:45 p. m. at Mission and Market streets. It had been stolen from in front of the owner's home at 5:20 p. m. the same date.

November 10 at 12:30 a. m. Officers Roy Beecher, James Welsh, and Edward Beecher reported to Central Creamery to put an end to a disturbance caused when M. E. Newman, sailor from Tanforan, insisted on going behind the counter. The Shore Patrol took (Continued on Page 2)

Daly City, Colma Receive Quotas, Prepare To Meet Treasury's Challenge

Corporal Robert Francesconi, 1139 Brunswick street, Daly City, this week completed a four-week course in specialized training at the Military Police Training center (aviation), Barksdale field, Louisiana, and returned to his home station at Walker Army Air field, Victoria, Kansas.

Francesconi is the son of Mr. and Mrs. Antonio Francesconi. He was formerly employed at a meat packing plant in South San Francisco.

By placing nine bombs in the target circle out of every ten dropped, the B-25 Mitchell bomb group to which Second Lieutenant John F. Freund, son of Mr. and Mrs. V. F. Freund, 199 Alexander avenue, Daly City, is assigned set an Air Force record for bombing accuracy during the month of September. Bombing average for the month was 90.4 per cent as shown by bomb-strike photos, according to word from a 12th AAF B-25 base.

This outstanding precision bombing record during a one month period was attained in 49 separate attacks against such pinpoint objectives as rail and road bridges, enemy gun positions, fuel dumps and troop concentrations while flying aerial support for the allied drive in northern Italy.

Lieutenant Freund, a graduate of Jefferson Union high school, is serving as bombardier-navigator with the veteran B-25 unit which has been cited by the President for distinguished service in battle.

Staff Sergeant William W. Freeman jr., 19, son of Mr. and Mrs. William Freeman, Daly City, a tail gunner with a B-17 Flying Fortress unit in Italy, has now flown 32 long-range bombing missions with the 15th AAF.

The unit to which he belongs recently received the Unit Citation given by the President of the United States "for outstanding performance of duty in armed conflict with the enemy." The citation reads in part, "By the courage, heroism, and determination of the air crews, together with the professional skill and devotion to duty of the ground personnel, the officers and men of this unit have reflected great credit upon themselves and the Armed Forces of the United States of America."

Technician Fourth Grade Charles L. Stratford, Daly City soldier who served 33 months in the Southwest Pacific theater has returned home under the Army's Troop Rotation program for a furlough before reassignment to a station within the United States. He will arrive shortly at his home, 1075 Hanover street, where he will visit his parents Mr. and Mrs. C. L. Stratford. T-4 Stratford served with the Medical department overseas.

Sergeant Melvin R. Dykman, in China with a fighter group, has sent The Record a letter which indicates just how much mail can mean to the boys overseas.

"This batch of mail today was the first we'd had in a little over a month. Doesn't sound like a long time but a fellow sure can do a lot of thinking about home in that time. The first question asked when a transport lands is 'Any mail?' and most of the time the answer is negative. But every once in a while we hit the jackpot and boy, the morale is up 100 per cent."

He also had something revealing to say about what war close at hand can mean.

"If you could see the destruction of the bombings you would wonder how these people take it. Every time the Japs take another (Continued on Page 12)

"Extra \$100 Bond" Is Individual Goal

There's a lot of hard fighting to do before either V-E or V-J Days are realized and there's a big job for the people on the home front to accomplish, too. A nation's fighting line is as strong as its supply line—no stronger. That's why the War Loan drives are so important and why all Daly City and Colma residents are asked to be prepared for the Sixth War Loan drive opening November 20.

Daly City's quota is \$148,392, of which \$120,376 is to be in E bonds. Colma's quota is \$82,440 with \$58,720 in E bonds. Both communities are this week preparing to meet the challenge of these requirements.

Walter J. Lehigh, war finance chairman for Daly City, announces that the bond booth at the Daly City theatre will open, Monday night, November 20, staffed by Girl Scout and Brownie troops of the community. He hopes that merchants and residents will respond to meet the quota. Bonds may be purchased at the theatre booth, the Daly City post office, or the Daly City branch, Bank of America. No plans have been made as yet for a house-to-house canvass.

In Colma district, Mrs. M. Pauline Brown, war finance chairman, announces that John Ferrari will be Sixth War Loan chairman. A bond sales table will be maintained in the Colma branch, Bank of America.

The Treasury department has asked the local chairmen to urge each person to buy an extra \$100 bond in the Sixth drive.

"Your country is still at war. Are you?"—that is the question directed at everyone by this drive, November 20 through December 16.

Set December 1 Mailing Deadline

At every mail box in Daly City, postmen left a gaily printed form, this week, urging early Christmas mailing. This plea for November shopping and posting is not just a cry for mercy from an overworked and under-staffed post office department, the War Manpower Commission and the Office of Defense Transportation are asking cooperation, too. The three agencies urge the public to realize that mailing earlier than heretofore is most imperative.

Parcels should be marked "do not open until Christmas," the post office said.

Here are the reminders for Christmas 1944:

1. Do your shopping now.
2. If you send Christmas packages to other cities, send small articles to save transportation space.
3. Ship all packages destined to other cities before December 1, if you want them to arrive by Christmas.

City Provides Music At Teen Club

There will always be music to dance to at the Daly City Teen-Age center, Mrs. Maisie Boyle and Mrs. Anne Eason, in charge of the project at No. 5 firehouse, Oliver and Bellevue, have announced. The city provided the club with a juke box. It was enthusiastically accepted by the dozens of high-school-age boys and girls who thronged to the first regular Friday night dance at the center, November 10.

This Friday night, November 17, has been reserved for the seventh and eighth graders, while the older group will return, Friday (Continued on Page 2)

day, November 24, for another evening of fun. Admission to the center is by presentation of membership cards. Any teen-age boy or girl who has not signed up to participate in activities at the center may do so at the police office, 75 Wellington avenue.

The issuance of membership cards makes it possible to regulate the size of the crowd attending the Friday night dances and to give all who wish to attend opportunity to do so at some time during the month.

Hours are 7 to 10 p. m. and the boys and girls have already expressed keen interest in the club and its progress, the ladies in charge report. In fact, they like it so much they've been writing their comments in a registry book at the center. "It's swell" seems to be consensus. A hard-working committee of boys and girls handles the decorating and clean-up at the club.

Consuelo Marino, 19, who lives at 714 Niantic avenue, was injured when she was struck by an auto at Eastlake and Mission, November 9 at 7:10 a. m. Driver of the car was Christian Emanuel Mast Jr., 15 Beta avenue. The girl was taken to Alemany Emergency hospital and later to Community hospital in the Daly City ambulance by Joyce and Banfield. She received a broken leg and an injury to her hip.

Sergeant Ricco Benedetti, Officers Beecher and Roland Petroschi broke up a fight at Hilltop lodge, November 12, at 12:05 a. m. One sailor, Peter A. Alles, from Tanforan, was taken into custody.

Following the collision of cars driven by C. E. Lowe, 209 F street, Colma, and Otto Smith, 612 Arkansas street, San Francisco, at School and Mission streets, November 12, at 4:25 p. m., three of the cars' occupants were treated for slight injuries at Alemany Emergency hospital. They were taken to the hospital in the Daly City ambulance by Dean Wood and Emil Bertelli.

Officers Henry Sundermann Jr. and Benassini investigated the accident and called Company No. 6, D. C. F. D., to stand by until danger of the spilled gasoline catching fire had passed.

November 12 at 5:55 p. m., Frank Waskey, 69 Shakespeare street, reported his 1934 Oldsmobile sedan had been stolen from in front of his home. November 13 at 7:20 a. m. Alma Ivia, San Bruno, called to say that her car had been stolen between 10 p. m. the preceding evening and 7 a. m., November 13, from in front of 344 Citrus avenue. Officers Roy Beecher and Welsh found it in front of 651 Niantic avenue. The owner found that it had been drained of gas and a Carlton Reflex camera stolen from it.

At 9:45 a. m., November 13, Officers Sundermann and E. Beech-

SUNDAY BASEBALL

Another Sunday of wet weather caused further postponement of baseball games scheduled for the diamond at Marchbank park, November 12. If the grounds are in condition, Sunday, November 19, the San Francisco Cardinals will meet the Hunter's Point Dolphins in a contest at 11 a. m. The Peninsula Winter Baseball league game, at 2:30 p. m., will feature Campi's Tavern and the Coast Guard.

Fine Man \$50 For Drunk Driving

Fifty dollars was the amount of the largest fine paid, Friday afternoon, November 10, at court session in the city hall, presided over by Judge William J. Sweeney. It was paid by Richard Young, 1330 Funston avenue, who pled guilty on a charge of drunken driving.

Other fines paid, Friday, were: \$2.50 with \$1 suspended by Joseph Nunez, Colma, for disregarding a signal; \$2.50 by Lorenzo Aguilar, Castroville, signal; \$5 by Jacob Johansen, 30 Point Lobos street, San Francisco, signal, two violations; \$2.50 by Albert Lesseman, 1215 Van Ness avenue, San Francisco, signal; \$7.50 by John Boggiano, 1040 Shotwell street, San Francisco, speeding; \$2.50 by Robert Rowbotham, Bay and Powell, San Francisco, standing in a prohibited place; \$2 by Mrs. R. William C. Heincke, 768 Foerster street, San Francisco, forfeited \$10 bail for non-appearance to answer a charge of being drunk in a public place. Thorsted Thor, 460 Bellevue avenue, paid a \$35 fine for disturbing the peace and violation of City Ordinance No. 209.

er checked on an accident occurring at Los Banos avenue and Mission street. Cars driven by Josephine Michealis, 599 Evergreen avenue, and William Gibeau, 154 Los Banos avenue, collided and hit a third car parked nearby. The parked car belonged to Henry Rang, 225 Los Banos avenue.

local donors at McGraw Brothers' pharmacy, 6300 Mission street, Saturday, December 9, at 9 a. m. and 12:40 p. m. or on Thursday, December 14, 9 a. m. and 12:40 p. m. Advance reservations must be made with Mrs. Morris or at the table in McGraw's and at that time the registrant can indicate the time he or she prefers for the trip to Julia Beylard hall, San Mateo, where the blood donations are made.

Mrs. Morris called attention to the display in McGraw's window which illustrates many interesting features of the blood donor program. She asks the public to see the exhibit and to respond NOW to the appeal for blood, so desperately needed for overseas use.

Residents are reminded that it is a painless process and not harmful to the individual's health. For example, Mrs. Melba Marble, a waitress at Central Creamery, has already given 7 pints. She is the wife of a serviceman and the mother of four children.

Councilman B. L. Meritt is still on leave of absence.

Draft Board Makes Complete Inventory

Under the direction of Mrs. Isabelle Flynn, chief clerk, personnel at Daly City Draft Board No. 103 has been hard at work, this week, making a complete inventory of all men under 38. Local records and those from Sacramento are being checked against each other to provide an up-to-date tabulation of all men registered with the Daly City office.

Men over 38 are now being classified into 4-A. This is a long-time project, however, and registrants in that category are asked not to phone in for their 4-A cards. As soon as these are prepared they will be mailed, Mrs. Flynn said.

Fifteen men were sent to San Francisco induction headquarters to enter the armed forces, Tuesday, November 14. Their names will not be available until next week. Tuesday, November 21, eighteen will report for pre-induction physical examinations.

Sugar Stamp 34 Valid, November 16

Sugar stamp 34 in War Ration Book Four will be good for buying five pounds of sugar beginning, today, November 16, the District Office of Price Administration has announced.

OPA has been validating a sugar stamp—good for five pounds—every two and one-half months since March 16, 1943.

The stamp, like other sugar stamps now being used, will be good indefinitely for buying sugar. Other stamps, validated in the past, which are also good indefinitely for use in buying sugar are Nos. 30, 31, 32 and 33.

Sugar stamp No. 40, validated February 1, 1944, is good for buying five pounds of sugar for home canning through February 28, 1945.

THANKSGIVING

Once again the Thanksgiving season is with us, and we pause to contemplate the good of the past year.

In some homes, the giving of thanks may not seem easy. Loved ones are scattered over the globe facing the perils and hardships of war. Some have already made the supreme sacrifice.

At times we may feel discouraged, overwhelmed with the problems of living. Even in the United States, war conditions are trying. From a distance we watch a world conflagration rage on, knowing that the staggering complexities of peace will follow it. Probably never in human history was the world so weighted with the baggage of fear, hate and uncertainty.

Yet, there is much to be grateful for. We have seen the Allied armies break the yoke of Nazi tyranny in France, Belgium and the Balkans. The liberation of the Philippines is under way.

America, herself, has been blessed. None of the battles has been fought on our land. Our cities and fields have not been scarred by enemy bombs. Our citizens have not been thrust into concentration camps, nor our churches closed, nor our schools given over to fascist teachings.

In spite of restrictions, we are well fed and clothed. In fact, the nation is experiencing a material prosperity never before approached. But our thanks are not primarily for material abundance. They are for spiritual wealth, expressed in the magnificent courage and unselfish devotion to the right displayed by hard-fighting, peace-loving peoples the world over.

Beyond even this, however, our hearts should reach out above persons and things in thanksgiving for life itself. Out of the appreciation of the good we see today, springs the eternal hope of a better tomorrow.

SIXTH WAR LOAN

California's quota in the Sixth War Loan drive which opens on Monday, November 20, is \$836 million. The national goal is \$14 billion. Individuals are asked to account for \$5 billion of it.

The U. S. Treasury is aiming a bit lower than in the Fifth War Loan—then it was \$16 billion—but the present goal is still a high one and will call for the wholehearted support of all Americans if it is to be achieved.

In view of the fanatical resistance of both the Germans and the Japs, we hardly need be reminded that our dollars are very necessary to give our land and sea forces the supplies they will need to carry on the job. A few months ago when Allied troops were sweeping across France, we may have been tempted to think that the war in Europe was just a matter of weeks. Now the indications point to a good many hard months before the Nazis are brought to their knees.

The Sixth War Loan is not just the "other fellow's" job. It's yours. California's quota, the national goal, and the individual share—all these can be attained only as we civilians "shoulder arms" in this campaign.

As in the past, the full strength of America's sales forces will be brought into action. The retailers in California and throughout the rest of the nation are mobilizing their "Third Army" of five million employees with the aim of having each one sell at least \$300 worth of War Bonds during the drive. A Federal Reserve survey showed that the "Third Army" substantially increased "E" bond sales in the Fifth War Loan campaign.

It has been said many times that you only lend your money while many servicemen give their lives. But however often that statement is made, it does not become any less true.

So, be sure you do your part in this drive. Invest an extra \$100—or more. And keep all the War Bonds you buy. It's the least you can do.

Civic Club

Members of the Women's Civic club are reminded that their fourth Thursday meeting has been postponed to November 30, 8 p. m., due to Thanksgiving. Mrs. Anne Eason, 924 Hanover street, will be hostess for the evening.

Mrs. Marie Pool, president, will conduct the business session.

OFFICIAL VISIT

Grand Chief Companion Mrs. Florence Griffith will pay her official visit to Vista Grande Circle No. 253, Foresters, Tuesday evening, November 21. The event will be held at Linhares Social hall, 176 Los Banos avenue, starting at 8 p. m.

All members are urged to be present for this important occasion, according to officers of the club.

Surprise Party

During their regular meeting time, Wednesday afternoon, November 8, members of Brownie Scouts No. 7 were given a surprise fudge party at the home of Mrs. Cecelia Hale, 599 Crocker avenue. Needless to say it proved a very popular occasion with the little girls, according to Mrs. Marie Pool, leader.

Nov. 21 Whist

Tuesday afternoon, November 21, Court St. Mary No. 1155, C. D. A., will give a public whist party at Masonic hall, 17 Hillcrest drive. The committee promises a pleasant afternoon for those attending.

Playing will begin at 1:30 p. m.

Make Ornaments

Brownie Troop No. 9, which meets each Monday afternoon at Mission and Theta, is working on Christmas ornaments, according to Mrs. Betty Eschenauer, leader.

Now you can be a Locomotive fireman

About \$220 base pay

This is one of Southern Pacific's finest jobs—and normally not easy to get. Today, we have a few openings—no experience needed to start. After a couple of weeks or so of training you can qualify as a regular R. R. Fireman... get right up there in the cab with the engineer and go places. (By the way, all Southern Pacific locomotives burn oil, not coal. No shoveling. Just turn a valve). No getting around it, this job has a bit of a thrill to it. It gets in your blood. You'll like S. P. men. Like knowing you're with a company whose biggest war job is still ahead—carrying war materials for the stepped up offensive against Japan. Railroad pass privileges. Fine pension plan. Medical services. A job, men... a real job! Look into this today.

See or write S. P. Employment Office, 33 California St., San Francisco 11, or your nearest S. P. Agent.

INVEST IN WAR BONDS AND HOLD THEM UNTIL MATURITY

While you are house cleaning or rummaging around in closets, basement or garage you may discover some idle, usable or easily repairable appliances. If you are not using them why not swap or sell them?

We have set up in our local offices a clearing house service for appliances. Here you can list the appliances you would like to sell or swap. Here also other customers list their needs for certain appliances. After this, buyer and seller deal with one another.

Use this free listing service and do a wartime "good deed" by helping some young or hard-working wartime family get appliances they desperately need but cannot buy elsewhere.

LOCAL OPA DISCUSSES INFLATION DANGER

(Editor's note: this column is prepared for The Record's readers by the local OPA board and is printed by this newspaper for the convenience of both the public and the board.)

Grocer - Consumer Anti-Inflation Campaign . . . The objectives of the Grocer-Consumer Anti-Inflation Campaign are: 1. To focus attention on the fact that a critical period in price control may lie just ahead; that carelessness now could set loose a disastrous upward price-wage spiral and threaten the relatively stable base we have established for post-war prosperity. 2. To get ceiling price lists displayed in all food stores at places where they can be easily read by the public and have more housewives use these lists when they shop. 3. To combine the efforts of grocers and housewives in keeping prices down on a basis of mutual effort and friendly cooperation.

To accomplish those objectives OPA is asking that dealers make a special effort to keep their ceiling price lists well displayed and that you, as a housewife or a purchaser of articles with ceiling prices, use those lists, ask your grocer about ceiling prices and in a friendly and cooperative way get together with your merchants in doing your part to curtail the inflationary trend that will threaten as the war draws to a close. A very critical period in our price control program lies in the months immediately ahead. Military victories do not immediately

Funeral Services

Funeral services were held for him, Monday, November 13, 12:30 p. m. under the auspices of Crocker Lodge No. 454, F. and A. M., at the mortuary of W. C. Lasswell and company. Interment was at Golden Gate National cemetery, San Bruno.

Shreve, who lived at 172 Miriam street, was a member of Crocker lodge, of Daly City Post No. 410, American Legion, and of the U. S. Customs Inspectors association.

Surviving are his wife, Mrs. Inez Shreve, and his children, Lucille, Frank, and Shirley Mae Shreve.

CARGO HANDLERS VITAL TO AIR TRANSPORTATION

Airline reveals urgent need for men to keep war materials flying

To keep important war cargoes flying on schedule to all parts of the nation and to war zones, a greater number of cargo handlers are needed at the San Francisco Airport today than ever before, reports United Air Lines.

Cargo on planes today is as important, if not more important, than passengers.

The job, for which men are urgently needed, is that of loading and unloading air express, mail, and other cargo. It is not routine or monotonous, because the arrival and departure of every plane offers new experiences.

Working conditions are pleasant at United Air Lines. You have a group of fine fellows helping you, and the crew chiefs, who will train you, are cooperative and understanding.

Transportation to the S. F. Airport is convenient—buses stop at the gate of United Air Lines. And the airline recently opened a new and modern cafeteria for its employees. Employee benefits include vacations with pay, insurance, periodic wage review, and a retirement plan.

Plan today to help out in this vital cargo work. Apply at United Air Lines, San Francisco Airport, Bayshore Blvd. at San Bruno Ave., or 421 Powell Street, San Francisco.

remove the dangers of inflation. Almost half of the World War I inflationary period occurred after the Armistice. For twenty months after World War I prices rose almost twice as fast as during the war. Today America has a firm grip on food prices but so long as we have any wartime scarcity, and so long as large parts of our incomes come from war production, heavy price pressures will continue. These pressures are a serious threat to the economic security of American families and the food industries. Do not relax your vigilance!

Adopt a friendly attitude to-

wards ceiling prices and feel free to discuss them with your dealers. Do not hesitate to talk about ceiling prices with your grocer. It is an American duty that both you and your grocer owe your country.

Salvaged fats . . . Salvaged kitchen fats are termed "hard fats" . . . the type we used to import from the Philippines, Dutch East Indies and Malaya. With these Pacific imports cut off, a large percentage of the hard fats needed to make munitions, lubricants, medicines and soap for war purposes must still come from American households and public

eating places. While the fat salvage campaign brought in about 180 million pounds of fats in the past twelve months, some 500 million pounds are wasted annually in this country.

There are lots of ways to save used kitchen fats. Bits of fat trimmed from chops and roasts may be saved in a small bowl in the ice-box. Once a week when the oven is on, these savings can be melted down. Broiling pans, roasters and frying pans should be scraped for extra fat before they are washed. Soups, stews and gravies can be skimmed for excess fat.

Dante At Geary

Dante, world's greatest master of mystery, combines the deftness of a brilliant illusionist with all the art of a skillful stage producer. His gifts are cleverly exploited in his new all-fun mystery revue, "Cockeyed Inferno," which opened a limited engagement at the Geary theatre in San Francisco, Monday, November 13.

Dante has everything in magic. His astonishing repertoire ranges from card manipulation, sleight of hand and conjuring to the most complicated feats of bodily transference and disappearance that are breathtaking in their daring and novelty.

Moi-Yo Miller, famous Australian beauty and a cast of 30 international mystifiers assist Dante in the 50 outstanding spectacles presented in "Cockeyed Inferno."

Short-Point Nutrition Found Easy With Nucoa

MERCHANTS everywhere are featuring the Basic 7 Food Groups because they're vitally interested in helping the Government's nutrition program. Displays playing up these 7 Food Groups may be found in stores all over town . . . and they give plenty of suggestions for serving meals which follow the National Nutrition Program.

One such Basic 7 food is Nucoa, America's largest-selling margarine. Nutritionally important because it contains 9,000 units of Vitamin A to the pound, Nucoa is also an excellent source of energy. And it is easy on the ration book . . . only 6 points a pound. An excellent spread for bread, it gives added flavor when used as a seasoning in many cooked dishes. Try these two point-saving examples:

Vegetable Souffle

- 3 tablespoons Nucoa
- 3 tablespoons Enriched Flour
- 1 teaspoon salt
- 1/4 teaspoon pepper
- 1/2 cup milk
- 3 eggs, separated
- 1 cup cooked, chopped spinach
- 1 cup cooked, chopped carrots

Melt Nucoa over low heat. Add

flour and seasonings and mix well. Add milk gradually, stirring constantly until smooth and thickened. Add well-beaten egg yolks and vegetables. Fold in stiffly beaten egg whites. Bake in individual Nucoa-d casseroles set in a pan of hot water in moderate oven (350° F.) 30 minutes. Place casserole in large dinner plate and serve with baked potato and onion-radish salad. Yield: 6 servings.

Baked Stuffed Fillets

- 6 tablespoons Nucoa, melted
- 6 fish fillets (1 1/2 pounds)
- 1 1/2 cups hot mashed potatoes
- 2 tablespoons milk
- 1 teaspoon salt
- 1/4 teaspoon pepper
- 3 tablespoons chopped onion

Mix potatoes with half the Nucoa, the milk, half the salt and the onion. Mix remaining Nucoa, salt, and pepper and brush fish fillets generously. Arrange 3 fillets in a well-greased baking dish. Spread potato stuffing on each fillet and cover with remaining fillets. Bake in a moderate oven (350° F.) 25 minutes, or until done. Serve with a casserole of baked tomatoes and onions. Yield: 6 servings.

Easy to bake for Holiday eating!

THE HOLIDAY season is "just around the corner" and now is the time to think about the good things we can bake—good things to top off any fine dinner! For example, a fruit cake or a special pie or a holiday pudding.

DARK FRUIT CAKE

1 cup enriched flour
1/2 tsp. nutmeg
1/4 tsp. cloves
1/4 tsp. salt
1/2 cup shortening
1/2 cup brown sugar,
firmly packed
4 eggs

2 cups seedless raisins
1/2 cup thinly sliced
citron
1/2 cup thinly sliced
candied orange peel
3/4 cup chopped nut-
meats, peanuts, wal-
nuts, pecans, etc.

Sift and measure flour; sift again with spices and salt. Cream shortening; add sugar gradually, creaming until light and fluffy. Add eggs one at a time, beating well after each addition. Add flour mixture gradually, combining thoroughly. Fold in fruits and nutmeats; mix. Pour into loaf pan (8x5 1/2x3) lined first with well-greased manila, then waxed paper. Bake in slow oven (275° F.) 2 1/4 hours or until done. Makes 1 loaf.

Note: Cake is the "quick-baking" type. May be stored for only a few weeks.

TWO-IN-ONE PIE

3 medium-sized cook-
ing apples
2 tssps. flour
6 tssps. sugar
1/2 tsp. cinnamon
1/4 tsp. nutmeg

Enough pastry for 2
crusts
1 tssps. butter or
margarine
1 1/2 cups mincemeat
1/4 cup fruit juice or cider

Peel and slice apples; sprinkle with combined flour, sugar and spices. Divide pastry in half; roll out each half. Make two large turnovers using apple filling dotted with butter or margarine in one, mincemeat with fruit juice or cider in the other. Seal well and place together in one 9-inch pan. Prick marking in top of each turnover, using A for apple and M for mincemeat. Bake in hot oven (450° F.) 10 minutes; reduce heat to moderate (350° F.) and bake 40 minutes longer or until done.

HOLIDAY PUDDING

1 cup enriched flour
1 tsp. baking powder
1/2 tsp. soda
1/2 tsp. salt
1 tsp. cinnamon
1/4 tsp. allspice
1/4 tsp. cloves

1 cup milk
1 cup dry bread crumbs
1/2 cup shortening, melted
1/2 cup molasses
1/2 cup raisins
1/2 cup finely cut candied
fruit or citron

Sift and measure flour; sift with baking powder, soda, salt and spices. Heat milk to boiling point; pour over bread crumbs and let stand 5 minutes. Blend in melted shortening and molasses; add dry ingredients to which raisins and fruit have been added; stir until smooth. Pour into well-greased and floured quart mold, filling 3/4 full. Tie 4 or 5 thicknesses of parchment or wax paper over top of mold. Place on rack in deep kettle. Fill kettle with boiling water to 1/2 depth of mold. Cover kettle tightly; steam 2 1/2 hours or until done, adding additional boiling water as needed. Serve warm with Hard Sauce; serves 8.

The picture is now playing at the Daly City theatre.

AT JEFFERSON UNION HIGH SCHOOL

By Verna Moresco

JUNIOR RED CROSS

The Jefferson High Chapter of
the Junior Red Cross was organ-
ized at a meeting held Friday,
November 3. Officers elected at
the organization meeting were
Ruth Higgins, president; Pamela
Pulley, vice-president; Virginia
Nestor, secretary; and Evelyn
Briseno, treasurer.

The following Friday, Novem-
ber 10, the Constitution commit-
tee met to draw up a constitution
for the chapter. Members on the
Constitution committee include

the wood-working class, as well
as cards and favors by art stud-
ents.

Faculty adviser for the Junior
Red Cross is Miss Nona Burns.

ART CLUB

Another club has been organ-
ized at Jeff this term. It is the
Jefferson Art club with Marilyn
Huber, art student, as its chair-
man.

Faculty adviser for the organi-
zation is Earle Lewis. As this
club has just started no plans for
future projects or members have
been made.

INDIANS OF RHYTHM

The Indians of Rhythm again
took the limelight when they pre-
sented a second assembly, Friday,
November 10.

They flew off to a nice start
with "American Patrol" and the
selections following made up a
most enjoyable program.

Barbara Gregor and Doris Ver-
nengo, singing for the first time
as a duo, sang "Pretty Kitty Blue

Eyes," and good, too! Also ap-
pearing for the first time was
Vivian Thorsen, who sang a cute
novelty, "Dolly With A Hole In
Her Stocking."

Lillian Altman received a big
applause for "An Hour Never
Passes," and Pat Marocco did very
well on "Then You Kissed Me."

Band numbers included "Amer-
ican Patrol," "Eager Beaver," and
"Her Tears Flowed Like Wine."

C. S. F.

Monday, November 20, mem-
bers of the California Scholarship
Society at Jefferson will present
their semi-annual program.

are now available. Some of these
include "Here Is Your War," Er-

GOOD DEED!

Since the entertainment com-
mittee has over \$400 in its treas-
ury, it is donating \$200 to the
January Senior ball. The class is
so small that without this fund
it would be impossible to have a
senior ball.

The entertainment committee
has ordered pins, which will fea-
ture two dancers on one end of a
chain with a bar having the let-
ters JEC on the other.

SPEAKERS

Jefferson students were honor-
ed to have as their guest speaker,
Tuesday, November 7, Miss Pansy

town, thousands of people have to evacuate. All they have with them is just what they can carry. They sleep where they can find the slightest shelter and most of the time there's none. They are safe on the road as long as they can walk or keep ahead of the Japs. As for being strafed, our fighters keep the Jap planes pretty well out of the skies for if they ever catch the Jap fighters on a strafe job they're dead ducks!

"As for chow—we have it pretty good at this field but I could sure go for some stateside food for a while. I'd give anything for a glass of milk.

"Prices out here are terrible. You have heard about the inflation in China. Well, they can't exaggerate it no matter how far they go!"

Throughout California, the cities spent \$128,308,650 during 1942-43, compared with \$134,366,229 in 1941-42, a drop of about \$6,000,000.

WASTE PAPER

When salvage paper is collected, to avoid fire hazard, the Department of Agriculture recommends that it be stocked neatly and tied in bundles. Paper boxes should be flattened, then tied in tight bundles. A metal trunk or bin with a tight cover is the safest place to store paper. Next best is to stack paper bundles on a cement floor away from furnace, stove or hot pipes. Soiled or oily paper is useless for salvage and is also a fire hazard and should be destroyed.
